

# OUR LEADERSHIP

## **Ng Chee Tiong IFP® Director**

"Chee Tiong helmed the back office of one of the leading fund management companies in Malaysia for over 15 years before leaving in 2015 as the Deputy Director of the Regional Support & Planning. In total he had been with the organisation for a total of 21 years.

He has been involved in the capital markets and financial markets for over 35 years starting with a Stockbroking and Merchant Banking.

He later joined the Malaysian Association of Asset Managers ("MAAM") as Executive Officer to help further enhance the knowledge sharing within the fund management industry. Apart from his expertise in operations, his forte is also in risk management and compliance. Prior to joining MAAM, he had a brief stint as Head of Industry, Communications and Education at the Financial Planning Association of Malaysia. He also runs his own boutique management consultancy.

He is a current member of the Financial Planning Association of Malaysia and holds the IFP® Certification Programme.

## **Herni Azlina Hashim, CFP Chairperson**

Herni has more than 10 years of experience working in asset management and stockbroking companies. She is responsible for the overall function relating to the operation and finance of the company.

Prior to Resolute Planning, Herni was the head of operations in Hong Leong Asset Management Sdn Bhd (HLAM). She was overseeing the daily operational and finance functions of HLAM covering trade support and portfolio valuation as well as financial reporting. Herni began her career as a settlement executive in HLG Securities Sdn Bhd. Herni graduated with a Bachelor of Business Administration from Lewis University, USA and a Diploma in Statistics from Mara Institute of Technology.
