

## Security Alert: Illegitimate Software – Avoid Download

Dear Esteemed Client,

We would like to bring to your attention that we have identified a fraudulent website impersonating one of our solutions providers, Luno Malaysia (as below). We have confirmed with Luno Malaysia that this website is not associated with them and may be used to mislead visitors or solicit information under false pretenses.

Please be advised:

- **Avoid** download any software, files, or documents from this website;
- **Avoid** submit any personal, technical, or financial information; and
- **Avoid** engage with any communications originating from it.

Thank you.
